

**LifeFlow<sup>PLUS</sup>**  
Blood & Fluid Infuser

**QinFL<sup>W</sup>**  
NO MORE COLD BLOOD & FLUIDS

## A New Paradigm for Rapid Transfusion

Used together, LifeFlow PLUS and QinFlow Warrior offer a transformative alternative to traditional rapid infusers for fast, controlled delivery of warmed blood or crystalloids.

Portable, available  
when and where  
you need it

Easy to set up and  
use

A bridge to your  
rapid infuser

Use in ER, OR, ICU,  
during transport, and  
at point of injury

# Product Highlights and Features

Contains no aluminum in the warming pathway

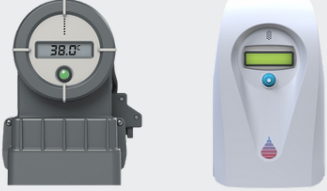

Capable of delivering 500ml whole blood at 38°C in less than 3 minutes

Straightforward training and set-up

AC and battery power options for use in the hospital or transport

Works with smaller-gauge catheters
